Set Sail: Charting the Course for Christ's Church: In November of 2022, Bishop Sam kicked off a strategic planning process and outlined his vision for the Diocese – for us to deepen relationships, engage in transforming discipleship, renew our stewardship efforts and engage in partnerships. In 2024, parishes will be asked to prioritize the first two “ships” of the vision (Deepening Relationships and Transforming Discipleship) so that individuals can continue to grow and develop who they are as faithful Anglicans. With that foundation firmly rooted, yet always evolving, goals for 2025 will address the actions of the last two “ships” of the vision (Renewing Stewardship and Engaging Partnerships). For more detailed information, please follow the link. <https://anglicanenl.net/set-sail-strategic-plan/>

Each of us has a role to play in realizing the full potential of Christ's Church in the Diocese of Eastern Newfoundland and Labrador. You can all contribute towards the outcomes envisioned by these goals. This is our work, together. All our parishes have been tasked to identify a Set Sail leadership team led by a 'Navigator'.

While the Set Sail leadership team in each Archdeaconry will provide guidance for the process, Navigators can be used in parishes to support congregational activities. These activities will include identifying specific goals to align with the high-level goals, planning for activities, taking action to achieve goals, and reporting results. It will be the role of the Navigators to:

- Communicate updates and information between the congregation or parish and the Diocesan Set Sail leadership team about the process.
- Work with the Vestry of the congregation or parish to set specific goals that align with the high-level goals.
- Ensure that steps are taken within the congregation or parish to plan activities and take action. (It is not the responsibility of the Navigators to do the work themselves, but rather to support the process. It is a Vestry responsibility to ensure that actions are planned and executed to achieve the specific

goals.) Report results of activities back to the Diocesan Set Sail leadership team and more broadly.

If you feel called to work with Archdeacon Nancy to help our parish fully engage in this Diocesan Strategic Plan, please contact her in person, via email, or on the phone.
