

March 8, 2021

Dear Community Group,

The Mount Pearl Frosty Festival and Mount Pearl Sports Alliance, in coordination with the City of Mount Pearl, are coordinating a drive thru fundraiser for the community food banks.

Every year our community food banks serve thousands of people who find themselves in need of support. With many businesses shut down due to the pandemic in the last twelve (12) months, the need for food banks is even greater. In response to this need, we are organizing a food drive on Saturday, March 27, 2021 from 10am-3pm. In keeping with Public Health guidelines this will be a drive thru event, with social distancing and safety measures top of mind.

There will be three locations available for individuals to drop off either food and/or monetary donations (The Glacier, Team Gushue Complex – Mount Pearl Soccer, and Atlantic Home Furnishings and Flooring parking lots). Cars will line up and drop donations in shopping carts for volunteers.

Additionally, we are asking community groups and business leaders to donate to this worthy fundraiser. Donations can be sent to:

Mount Pearl Frosty Festival Inc.
P.O. Box 898
Mount Pearl, NL, A1N 3C8

Thanks to everyone in advance for supporting this fundraiser and our community. Together we can make a difference in the lives of many people. If you have any questions please contact Robert Hayes at robert.hayes@olddutchfoods.com or Mike Bugden at mbugden@mountpearl.ca.

Regards,

Mount Pearl Frosty Festival
Mount Pearl Sports Alliance
